A Message from Sadr Majlis

My dear brother,

السلام عليكم ورحمة الله وبركاته

I hope and pray that you are keeping in the best of health. May Allah keep you safe, Ameen.

This year has been one of unprecedented significance across the world, unfortunately for all the wrong reasons. The COVID-19 pandemic forced everyone to reconsider their priorities and the pandemic is expected to have a continued impact across the whole world for the foreseeable future.

It has been a time for reflection for all of us, and as our beloved Huzur Aqdas **أيده الله تعالى بتصره العزيز** has reminded us continually, we need to focus even more on prayers in these troubled times. It is also a time for increasing our learning as most of us are bound to our homes in the Netherlands.

The end of the year for Majlis Ansarullah which runs from January – December is also a time for ensuring that we continue to excel in our financial sacrifices, whether for our Majlis contributions, or for contributions to the blessed scheme of Waqf e Jadid.

May the New Year be a source of blessings for all of you and your families. Ameen.
